Our Teams are high caliber, high integrity, client focused professionals. We only hire professionals who have a track record of being cost efficient, practical and timely.

HISTORY

Rich Lavinski founded East 57th Street Partners based on the belief that service to each client must be based on substantive knowledge of and specialization in the services to be provided, at a fair and competitive price. In 1988, he pioneered the highly specialized fast growing "project services" niche in Accounting, Finance, HR and IT.

Today, Rich Lavinski and his team are widely recognized as leaders in professionalism and integrity. They possess a stellar track record for providing clients scalability, flexibility and exceptional price performance, and deliver exceptional service on closely budgeted and highly challenging projects.

We do hard things in Accounting, Finance, IT & HR.™
